to registering an entity in the NIPEZ Portal and setting up user authorisations for the entity in the NIPEZ Portal.

The NIPEZ Portal is a central interface for the administration of economic entities (persons), users and their authorizations within the National Infrastructure for the Electronic Submission of Public Procurement (NIPEZ).

If the registration of an entity (legal entity) is completed by a natural person who is not listed in the commercial or other register (does not have the authorisation to act on behalf of the legal entity listed in the public register), the Power of Attorney must be signed by a natural person authorized to act on behalf of the legal entity with a valid guaranteed electronic signature based on a qualified certificate for electronic signature or for qualified electronic signature.
