The registering entity hereby authorizes the representing person to register in the National Electronic Tool system (hereinafter referred to as the "NEN system"), which is intended for the electronic awarding of public contracts.

4 Reasoning

If the registration application is not signed with an electronic signature, please provide the reason. This reason is subject to approval by the Ministry of Regional Development, which is the NEN System Administrator.

5 Additional information

- As the data you provide will be verified by the NEN System Operator and the Ministry of Regional Development, we strongly recommend that all entities complete the registration well in advance.
- To verify the registration application, submitted documents may be requested in a plain or official translation, a court-certified translation, an apostille translation, or a super legalized translation of documents in the Czech or English language.
- Documents must not be older than 14 days prior to the date of submitting the registration application. The
 applicant is authorized to submit these documents in a plain copy if they are available for inspection in the
 official register or portal of the registered entity, and the link must be provided in the respective field in the
 Registration Form. If not, it is necessary to secure the document with a valid guaranteed electronic signature
 based on a qualified certificate for an electronic signature or for a qualified electronic signature or by an
 authorized conversion.
- All entities registering within the EU must, in compliance with the NEN System Operating Rules, sign the
 Registration Form with a valid guaranteed electronic signature based on a qualified certificate for an
 electronic signature or for a qualified electronic signature. You can find a list of all trusted certification
 authorities HERE.
- Only applicants outside the EU may sign with any electronic signature.
- In case of non-cooperation on the part of the registering entity, the NEN System Operator may close the registration application after 10 (working) days.
- For more information, please contact the NEN System User Support.
